Mr. And Mrs. C. C. McDonald Honored On Anniversary

The upper private dining room of Mary Mahoney's Old French House Restaurant in Biloxi was the gathering place of the C. C. McDonald Club on the evening of October 9 when the group gathered to pay homage to Katrina and Carl C. McDonald on the occasion of their fiftieth wedding anniversary.

Mrs. McDonald chose for the occasion a deep red gown styled in simple and elegant fashion and wore a corsage of red-throated golden orchids. Sharing with her a seat at the head of the table was her jovial husband.

It was a gala festivity in which the McDonald's four sons, David N., Carl C. II, Fred S., and James C., together with their wives and one of the grandsons, Andre McDonald, also, Mr. and Mrs. John McDonald shared in the planning and preparation. Mr. and Mrs. Otis Winnard co-hostesses were unable to attend.

Centering the beautifully appointed table was an arrangement of large golden yellow chrysanthemums interspersed with yellow tea roses and greenery. Also featured as a part of the decoration was an original McDonald Family Tree fashioned of layer upon layer of dainty golden nylon net and having named stars to represent the heads of each of the McDonald family while blonde and brunette chorub heads carried designated names of the ten grandchildren.

There were mountains of cards to be read, exciting gifts to open and happy reminiscing that turned back the years half a century and more to the days when Katrina Overall, daughter of Mr. and Mrs. N. D. Overall of Nashville, Tennessee at the age of 18 came to Bay St. Louis to teach English and Latin in the city school system. Later on she returned to Nashville and was graduated from Vanderbilt University. Escorting Katrina Overall to the social affairs of the day was Carl C. McDonald, son of W. A. McDonald

MR. AND MRS. C. C. McDONALD

who had left Holly Springs, Mississippi and Middleton, Tennessee to settle in Bay St. Louis in 1904. Young Carl McDonald's schooling included Bingham Preparatory College of North Carolina, L.S.U. of Baton Rouge, and Millsaps in Jackson, Mississippi. He served as a Lieutenant in the United States Army World War I.

On October 9, 1919 at eight o'clock in the evening and at the West End Methodist Church of Nashville, Dr. George Stoves united Katrina and Carl in Holy matrimony. The wedding was large and fashionable and attended by a host of friends and relatives. As favors to the ushers, Carl presented inscribed gold-handled pocket knives. One of these knives was returned to him by his brother-in-law, Robert Overall, as an anniversary gift.

Following a wedding trip to the C. C. McDonalds moved into their first home. The address 355 Main Street. At that time Carl was employed by his father, W. A. McDonald. Two years later he bought the business and operated it for a number of years before it was incorporated with his father and his brother, John, under the name W. A. McDonald and Sons.

Prominent in civic and social affairs, Carl C. McDonald was an early President of the Rotary Club and also of the Bay St. Louis Chamber of Commerce.

Katrina McDonald with a background of University training and a natural quality of leadership endeavored herself to her community, state and nation assuming responsibilities including twenty years of service on the Board of Trustees (City), seven years on the Hancock County Board of Trustees; during her last three years as chairman of the Hancock North Central Elementary

School was built. She was on the Regional Committee of Girl Scouts for seven years and still serves as corresponding secretary of the Gulf Pine Girl Scout Council Board. She has served as National President and as National Treasurer of the Alpha Omicron Pi of whose Vanderbilt Chapter she is a charter member.

A united family gift presented to the McDonalds at the dinner was a chest filled with gold-toned stainless steel flat ware and bearing a small golden name plate inscribed Katrina and Carl C. McDonald October 9, 1919 - October 9, 1969.

SMITH IN VIETNAM

His father, William Biff, lives in Bay St. Louis, Miss.

Reception Marks 50th Anniversary

Between the hours of three to five o'clock, Sunday afternoon, October 12, Mr. and Mrs. C. C. McDonald, Sr. welcomed a host of friends and relatives who called on them at the Main Street Methodist Fellowship Hall to join in the celebration of their fiftieth wedding anniversary. The reception was arranged and given by the McDonald's four sons, their wives, and one of the grandsons, Andre McDonald, who were the hosts of the prominent and well-known, well-loved and respected couple might share their happiness with others.

No formal receiving line nor stilled decorum prevented the McDonalds' from circulating freely among their many friends.

At vantage points throughout the rooms were lovely arrangements of golden yellow flowers including several species of chrysanthemums, beautiful long-stemmed roses and graceful low floral creations. Mrs. McDonald was radiant in a lovely Wedgewood Blue sheath detailed with cut-work embroidery in a slightly deeper shade of blue. Her corsage was of yellow orchids.

At the guest register hostesses were Mrs. J. A. Evans and Mrs. Sydney Pragas. At this center a lovely bowl held congratulatory cards and messages received in a steady stream throughout the day.

A beautifully tiered and decorated wedding cake outlined with small yellow blossoms and cut with a golden cake knife was served by Mmes. T. T. Robin and Sam Whitfield, assisted by Misses Katherine Blum, Wendy and Marilyn McDonald.

A silver tea and coffee service balanced at the opposite end of the second table with a similar punch service and with tastefully arranged floral center pieces completed the refreshment tables. Hostesses serving included Mmes. Leo Seal, Carl T. Smith, Claire Marx, Susie Weston.

Tea girls Moll, Dolly and Meg McDonald and Stephen Winnard passed among the guests serving small replicas of the larger cake.

Conversation pieces included two carefully arranged bulletin boards displaying newspaper clippings, photographs, and other memorabilia concerning the McDonalds' marriage fifty years ago, as well as childhood pictures of their sons. One picture of exceptional interest was a beach scene of Bay St. Louis in 1915 -- the year of a ravaging storm. The year remembered by the then Miss Katrina Overall, teacher in the Bay St. Louis school system, for she was reprimanded by school authorities for allowing a mere storm to keep her out of the classroom.

Appreciated for their many fine qualities, the McDonalds have contributed to the cultural development of Bay St. Louis throughout the years. Mrs. McDonald alternates as a discussion leader in the Methodist adult Sunday School class, is advisor to the Candy Strippers of Hancock General Hospital, and is active in the Gulf Pine Girl Scout Council.

In summing up her many activities at local, state and national level, Mrs. McDonald said: "I could never have done it if it had not been for the cooperation of a very understanding husband."

Archery season on deer, split this year to allow hunters two deer, began October 1 and will run through November 3. The second season is from November 5 through November 19. One deer of either sex per season is the bag limit.

The squirrel season in this area opens October 18, and ends January 11, with a daily bag limit of 8. Rabbit hunters may begin gunning October 18. The rabbit season ends February 13. Daily bag limit is eight.

Quail season opens December 6 and ends February 13. Daily bag limit is 10. The first dove season is over, but the second of three

seasons opens November 8 and lasts through November 30. The third and final season is from December 20 through January 12. The daily bag limit is 18.

Sportsmen are reminded to write for the pocket size Hunting and Fishing Guide now available through the Commission's public relations department. Included in the guide are complete hunting and fishing regulations, maps of Game and Fish Lakes and Game Management Areas, and a list of

graphs of big deer and big bass. A guide can be obtained by writing: Mississippi Game and Fish Commission, P.O. Box 114, Pearl River, Miss. 38874.

Many Jobs Available At Employment Office

The local employees of the Mississippi State Employment Service had just completed a three-week preliminary Manpower Survey for Hancock County when Camille struck. It was aimed at determining the labor supply and general characteristics of available labor for staffing any industrial plant which might be interested in locating in Hancock County. The survey was also a preliminary to the operation of a Smaller Communities Program in the county. Presently, it is not known when the survey will be completed but it is hoped it will be complete in the near future. In the mean time, the local employees were directed by the State Employment Service to devote their time to taking job orders and placing people in jobs on either a permanent or temporary basis. As a result, many people who would have found it necessary to go into Gulfport found jobs locally. With reconstruction not yet

even underway pending adoption of a building code, many construction companies anticipate being here for quite a long time. Therefore, if you have not registered your occupational skills with the local office, and you want work, it is to your advantage that you do so immediately. At present, the local office has job openings for waitresses, office girls, carpenters, carpenter helpers, painters and laborers in construction and clean-up operations. Anyone wishing to use these state facilities are asked to come by our office in the Agriculture Building on Necaise Avenue, Room #7, or call 467-9473.

Bay Residents Named To Agnew Dinner Committee

Five Hancock County residents have been named to the statewide Agnew Dinner Committee for Vice President Spiro Agnew's appearance in Mississippi October 20. The announcement was made jointly by W. D. Moulter, state GOP finance chairman of Jackson and state dinner chairman Leslie Lampton of Jackson. They said Mr. Agnew will address a \$100 plate fundraising dinner at the Mississippi Coliseum in Jackson beginning at 7:30 p.m. Serving on the dinner committee from Hancock County are: chairman, Mrs. Gerald Gex, Dr. J. B. Levens, Mrs. Fred Wagner, Wilson Webb, Mrs. D. M. Koger, Mrs. Sam Whitfield.

Christmas Cards

Mrs. George Gray, president of the Martha Chapter, Women of Trinity Episcopal Church, Pass Christian, has announced that the Christmas cards made from a picture taken of the church altar Christmas 1968 and which were lost during Camille, will be replaced. The price of these unique cards is \$3.00 for a box of twenty. Anyone wishing to purchase these cards to send or to keep as collectors' item should contact Mrs. Jack Cahill at the church office, 452-4633 or Mrs. Logan Cline, Jr., 467-4980, immediately. A sample of the cards is on display at the church.

Card of Thanks

We wish to thank all our friends and relatives who were so kind at the time of the death of our son and brother Sidney Bell, also at the time of our husband and father John Bell's illness. Special thanks to Rev. Hether of St. Rose, Dr. Magglio, Dr. Wolfe and Hancock General Hospital staff, also for floral offerings, cards of sympathy and the Mass by the Holy Family.

THE BELL FAMILY

In Memoriam

In loving memory of our son and brother Sidney Bell on his birthday Oct. 14, 1969, "When I Must Leave You"

When I must leave you for a little while, Please do not grieve and shed wild tears And hug your sorrow to you through the years, But start out bravely with a radiant smile, And for my sake and in my name Live on and do all thing the same. Feed not your loneliness on empty days, But fill each waking hour in useful ways, Reach out your hands in comfort and cheer And I in turn will comfort you, And hold you near, And never, never be afraid to die For I am waiting for you in the sky! We feel so sad when those we love are called to live in "The Home Above" - But they have but gone to prepare the way and we'll meet them again some happy day. For God has told us that nothing can sever a life He creates and lives on forever - So let God's promise soften our sorrow and give us new strength for a brighter tomorrow. Sadly missed by Dad, Mom, Sister, Brothers and Grandmother.

Our readers write

Editor, Sea Coast Echo: An experience that I recently had pertaining to the property owned by me on Waveland Avenue, in Waveland, Mississippi, emphasizes a situation that I feel deserves the consideration of the taxing authorities in Bay St. Louis, Waveland and Harrison County, Mississippi. This situation is particularly detrimental to those of us who are not domiciled in the State of Mississippi, but who have enjoyed, for many years, the quiet and restfulness of the Mississippi Gulf Coast.

I refer to the fact that a friend of mine recently called my attention to the fact that my property was being advertised to be sold for the non-payment of taxes. I had already paid two Tax Bills, one at the Sheriff's Office in Bay St. Louis and one at the City Hall in Waveland. I never knew that the School Tax was payable to the Commissioner of Finance in Bay St. Louis at an entirely different location from the Sheriff's Office. If my friend had not called this to my attention, my

property would have been sold for delinquent taxes. I have been a taxpayer in the State of Mississippi for at least twenty years. Formerly, the Merchants Insurance Agency, as a courtesy to me, gathered my Tax Bills and sent them to me. However, since the insurers that were represented by Merchants cancelled my insurance (which was carried in New Orleans), I have relied upon receiving my Tax Bills from the taxing authorities. However, I have abruptly learned that there is no such service and that the taxing authorities will proceed to sell an out-of-town taxpayer's property without any personal notice whatever, relying entirely upon publishing the notice in your newspaper.

This is a most regrettable situation and it should be corrected. Since Hurricane Camille, many trade persons in the Waveland-Bay St. Louis area have acknowledged their dependence upon the business that they obtained from out-of-town residents, particularly those from New Orleans. It seems to me that these people who own property, help to maintain property values and give support to churches, other organizations and merchants within the area, deserve a little more consideration and there should be some way to consolidate the payment of the taxes and to give a taxpayer an opportunity to know that his taxes are not paid before his property is advertised at a tax sale other than by putting a notice in your newspaper.

Trusting that you will receive this in the spirit in which it is intended, I am,

Sincerely yours,
Elizabeth C. Henican
New Orleans, La.
P.S. - Even those New Orleans residents who subscribe to your newspaper, particularly those whose homes face the beach (BC, i.e., before Camille) will probably not receive your newspaper without furnishing you with some other more accessible address.

OTHER MEMBERS OF THE MICHAEL D. FAYARD FAMILY OF WAVELAND LOOK ON AS HE ACCEPTS DELIVERY OF THEIR NEW CHEVY PICK-UP FROM LAMAR-LANE CHEVROLET SALESMAN HERB BARON.

Mr. Michael D. Fayard of Waveland needed good transportation to his job in New Orleans. Herb Baron of Lamar-Lane Chevrolet was recommended to Mr. Fayard by friends who have bought cars from Herb at Lamar-Lane Chevrolet. He visited Lamar-Lane Chevrolet and talked to Herb about his needs. He got a Lamar-Lane price from Herb Baron and decided to shop around other dealerships to see what they would offer him. The price given to Mr. Fayard by Herb Baron was the best deal offered and that is the reason he bought a chevy pick-up from Herb Baron and Lamar-Lane Chevrolet. If you're looking for a new car or truck, visit Lamar-Lane Chevrolet and ask for Herb Baron, he could save you many dollars. Have you seen the new 1970 Chevrolets on display at Lamar-Lane Chevrolet? G.E. Selects Carol Matson For Miss MTF Torch Competition

Carol Matson will represent General Electric in the "Miss MTF Torch" competition during NASA Mississippi Test Facility Combined Agencies Campaign.

Mrs. Matson of engineering standards in the department's Technical Projects Operation, is the daughter of Mr. and Mrs. Ollie Smith and the wife of Vernon E. Matson of Bay St. Louis.

Plans are completed for participation by G.E. employees in the fifth annual campaign at the test facility on behalf of charities and social agencies in seven neighboring counties and parishes.

David M. Brown, GE voice chairman of the CAC, said the appeal within his organization will be conducted between Oct. 13 and Oct. 24 and has as its goal one hour's pay per month by each employee and 100 percent participation. Last year, employees of the GE Management and Technical Services Department contributed \$47,000 in the joint campaign.

The overall MTF campaign is on behalf of United Fund agencies in Hancock, Harrison and South Pearl River Coun-

ties, St. Tammany, Orleans, Jefferson and St. Bernard Parishes, and national and international health and welfare organizations.

Hancock Hawks Maul St. John Eagles 27-0

With powerful rushing on the offense and a superior showing on defense the Hancock Hawks Central easily gobbled up the St. John Eagles at Long Beach, Saturday afternoon, by a score of 27-0.

Hancock's first score came in the first period as John Lee drove up the middle on a three-yard touchdown run.

J.W. Rawls ran for the two-point conversion. In the third period the Hawks scored again as Mitchell Hayward went three yards on a quarterback keeper but the run for the two-point conversion was stopped short with the score 14-0.

Hancock scored in the final period as Greg Shaw picked up a St. John fumble and raced 27-yards for a score and Rawls hit paydirt for the first time on a nine-yard run after a pitch-out.

Ricky Gaudin successfully booted an extra point kick after Rawls' score.

Bay High Tigers Roll

Over Long Beach 42-0

The Bay High Tigers now have five wins and no losses after rolling over the Long Beach Bearcats at Long Beach, Saturday afternoon, by a score of 42-0.

Plagued by injuries and starting the game without a regular starting quarterback the Bearcats lost the ball to the Tigers on a fumble which set up the first Tiger touchdown.

which came ten plays later from a yard out. The conversion kick was good. The Bearcats gave the ball with a punt to Bay two plays later which set up the second touchdown seven plays later. The kick was good.

In the second quarter the Bearcats held the ball for two plays before a fumble gave the ball again to the Tigers who then made another touchdown and another conversion kick was good.

Long Beach picked up some in the second half but were unable to hold the Tigers in that period who continued scoring in the third and fourth quarters with all conversion tries good.

Large Shrimp Netted Here

Shrimp are hauling large these days, according to Nolan Laddier, Joe Tamm, N. Lang and Earl Fawcett, who may often be seen casting their nets from the sea wall along North Beach anywhere from Tumbar to the end of the pier.

"They are hauling about 15 count to the pound," said Lang, as he tossed a bag on his scale to prove the point.

Shrimp are attracted close to the shore by chumming the water with canned dog food. Best time for casting is between 10:00 a.m. and 2:00 p.m.

It takes a certain skill and ability to properly open and draw a net, and those who have mastered it say it's a great sport affording exercise, fresh salt air, a bit of excitement and then the reward of lip-smacking good things to be prepared from these tasty crustaceans.

Greyhounds Wallop Rock-A-Chaws 34-6

by Hy McEnery
Keeping their undefeated string unbroken the Ocean Springs Greyhounds took a win over the St. Stanislaus Rock-A-Chaws by a score of 34-6 at Bay St. Louis, Saturday afternoon.

The Rockachaws got their only score in the first period as Ronnie Oustalet crashed across from the nine-yard line but the extra point attempt failed. Ocean Springs scored in the

first period as fullback Ed Hurt banged over from the three yard line, but they too failed to convert as the score stood at 6-6. The Hounds broke the game open in the second quarter when David Ward scored on a two-yard smash and Henry Farmer made it on a two-yard scamper later in the period.

A pass from Farmer to Keith Stevenson was good for two points after the second score of the quarter and Ocean Springs led 22-6 at half time.

In the third period the Greyhounds tallied on a 26-yard run by Ward and the final score came in the fourth period when Farmer raced 33 yards for the touchdown.

Population Decline Indicated In Bay

L.H. Ott, carrier for the popular Times Playmate morning paper, says subscriptions along his route have dropped off about thirty to thirty five per cent following Hurricane Camille.

Mr. Ott says he expects many of his customers to return to the Bay St. Louis area

as soon as suitable housing is available.

He said, "Bay St. Louis residents were rather fortunate in that Camille hit at a time when there were vacancies in rental and sales properties and many persons losing their homes were able to relocate almost immediately."

In making an educated guess, Ott predicted that the loss of population will not exceed twenty five percent.

During the banquet which was held on October 8 Mr. Wilmas received from Billy Ray Quave, president of the Herald Builders, a plaque designed and made by employees and citing Mr. Wilmas numerous capabilities.

Long-time employees of the paper were also recognized and service pins were presented. Six employees of the Herald have been with the paper more than forty years. MR. AND MRS. GARY JOSEPH WYMAN

Miss Linda Gipson Is Bride of Gary Wyman

An evening ceremony held at the First Southern Baptist Church in Pearlington, Miss., saw Miss Linda Gipson, daughter of Mr. and Mrs. Carl Gipson, become the bride of Gary Joseph Wyman, son of Captain and Mrs. Wyman, Jr., Pearlington.

Best man John Dearing performed the double ring ceremony.

Music was rendered by Susan Ladner, who was away by her father, wore an A-line, floor-length gown with white lace and a bell-shaped veil.

Her chapel length veil flared from a white bow. She carried a bouquet of white flowers centered with a pink orchid, and trimmed with white ribbon streamers with tulle love knots.

William Perkins, Jr., of the bride, was matron of honor. Bridesmaids were Ramona Gipson, Bay St. Louis; Miss Marjette Wyman, Pearlington; Miss June Wyman, Bay St. Louis and Richard Boyet, Sildell.

The bridesmaids wore identical A-line length gowns of lace in colors with a wide sash at the waistline.

Miss Gipson of Bay St. Louis served as flower girl. A low-cut gown was identical to those worn by the other brides.

SELECTING COOK WARE

Buying cooking utensils today can be lots of fun with all the many attractive designs and finishes. It can also be frustrating when you try to decide which of the materials to choose and how much to pay for the item.

Some pointers might help you:

It may be difficult to stop short of buying a set, but consider the alternatives before investing in a "set" of utensils of any one material. Here are some facts:

Consider the cost. Sets of cooking utensils, no matter what metal or material, are often expensive. Some sets are exorbitant! Check the total price of the utensils if purchased individually. You may be surprised.

Do you like the same material for all the pots and pans? Many homemakers prefer aluminum for one type of cooking, cast iron for another, stainless steel for another. The reason is that each material has qualities that make it better for certain uses.

Do you need all the utensils in the set? Or do you need to add only a couple of new items? Rarely ever does a homemaker, unless she is a bride, need a complete new set of pots and pans.

Will you use all the utensils in the set? Be sure you will use them.

Beware if sales pressure is used to get you or your husband to buy. In fact you should buy rather than be pressured into paying for something you may not need. Be sure they are made by a well-known manufacturer and purchased from a

well-established dealer.

Pans should be made from a gauge material heavy enough to prevent warping or denting.

For versatility, consider pans with handles which are easily removed or will withstand oven temperatures.

Select the best pan for your purpose—use and care for it as recommended by the manufacturer.

Other factors to consider when buying any new pot or pan include the size of your family, kind of cooking you do, kind of range you have, kind of cupboard you have for storage, amount of money you have to spend, amount of cooking you do, what you like and how much company you have. Buy pots and pans that are the right size for what you are going to cook and can be used for cooking several kinds of food. They should be made of medium to heavyweight material that will last, and should have lids that fit. Cheap pots and pans are not bargains.

Flat articles such as table cloths, napkins, place mats and scarves, do not show crease marks from ironing when they are rolled rather than folded for storage in the linen closet. Cores from paper towels, wax paper, etc., make excellent bases for rolling these items.

MR. AND MRS. JAY MARTIN WARNER, JR.

Warner, Pavolini Vows Solemnized

The wedding of Jay Martin Warner, Jr., son of Mr. and Mrs. Jay Martin Warner, Sr., and Miss Cheryl Ann Pavolini, daughter of Mr. and Mrs. John J. Pavolini, was solemnized at 3 p.m., September 28, at St. Martin's Catholic Church, Bay St. Louis.

Rev. William J. O'Connell, pastor of St. Martin's, officiated at the ceremony. The bride was escorted by her father, the groom by his brother, Mr. Jay Martin Warner, Jr.

The bride wore a long, length silk organza gown fashion-

ed with a fitted bodice of Alencon lace; the Sabrina neckline was trimmed with clusters of iridescent sequins. Lace appliques trimmed the long sleeves and bell-shaped skirt. The bride carried a bouquet of white mums and feathered carnations.

Mrs. Edward Peterson, Pass Christian, was her sister's matron of honor. Other attendants were the bride's cousins, Mrs. Ann Ladner and Miss Lorna Selinger, both of Pass Christian.

The bride's bridesmaids wore A-line floor-length dresses of moss green satin featuring bell-shaped sleeves and matching green velvet bows at the empire waists. Their headpieces were moss green velvet pillboxes with matching veils and they carried cascades of bronze and yellow mums and feathered carnations.

Edward Peterson served the bridegroom. As best man, Groomsman were Floyd Ladner, Pass Christian and Jay Fletcher, Bay St. Louis. Harold Pavolini Jr., Gulfport and Erroll Collier, Mobile, Ala., served as ushers.

Following the ceremony a reception was held in the Parish Hall where the mother of the bride received their guests wearing a green bonded knit dress, brown accessories and a white orchid corsage.

The mother of the groom chose a beige knit suit with matching accessories and a white orchid corsage.

The bride's table, overlaid with a lace cloth, held a four-tiered cake trimmed with spun-sugar roses topped with the traditional bride and groom. White carnations and fern encircled the bottom tier with crystal candelabra holding white tapers on either side.

Mrs. Revis Niolet presided at the cake table and Miss Margaret Niolet served punch.

For her wedding trip to Florida, the bride wore a brown dress trimmed in white, matching accessories and a shoulder bouquet of yellow cymbidium orchids.

Miss Love received notification of the gift in a letter from Victor C. Thaller, vice president and treasurer of G. P. Putnam's Sons on October 3.

The announcement of the gift was made at the annual convention of the Alabama-Mississippi Library Association meeting October 1-4 in Biloxi.

57 Youths Employed By Seabee Summer Program

The Naval Construction Battalion Center, Gulfport, employed 57 young people this summer according to an announcement from the Industrial Relations Officer. The 15 to 22 year olds were residents of the Mississippi Gulf Coast.

Twenty-two of the young people were hired under the summer aid program and received the same rate of pay for a normal 40-hour week. The other 35 were students appointed under the summer employment examination program, grades GS-2 through GS-4. Positions filled by this group included an engineer, clerks, other clerks, and life guards.

The summer program objectives were to provide an opportunity for young people, still in school, college, or graduate school to become acquainted with the challenges and opportunities in government; to supplement staffs with temporary help to ease the impact of the heavy concentration of vacation schedules during the summer period; to meet seasonal demands; to serve as a model employer in providing genuine training and work opportunities to large numbers of youth including those who have been economically, culturally and educationally disadvantaged.

The students during their three months on duty this summer received special instructions at a familiarization program of the Navy and Seabee Center missions, were given a guided tour of the Center, and enjoyed having lunch in the Navy dining hall. The "Welcome A-board" and explanation of the mission of the Navy base was given by Cmdr. John J. Stanley Jr., Executive Officer and Mrs. Betty M. Price, Employee Development Officer, conducted the tours. To aid the young people in understanding the basic operation procedures of both government and private enterprise in the area, the summer employees made an informative visit to the National Aeronautics and Space Administration's Mississippi Test Facility.
